

PERMANENT RESIDENCY

With asset disclosure rules rapidly approaching, The Bahamas offers an ideal domicile for the management of personal wealth. Accelerated consideration for Permanent Residency is given to major investors and owners of upscale Bahamian Property valued above USD \$500,000 such as those offered within our developments. Our experienced team will ensure the best representation and fast-track approval of your application.

The tradition of quality personal service coupled with an investor- friendly, tax-neutral policy yields a unique set of benefits for:

- Asset Protection
- Tax Avoidance
- Family Trust Planning
- Rental Income

The Bahamas is well respected in the international investment community for having a secure and legal investment environment based on a long tradition of parliamentary democracy, the rule of constitutional and statute laws and where regard for life and personal property are guaranteed.
